### **WHAT DOES MINI MEMBERSHIP DRIVE MEAN?**

**It means that KTXK still needs the financial support of our listeners, but so do so many other nonprofits in the area. Everyone is trying to make up for lost revenue because of the pandemic. At KTXK we have decided to scale back our drive for the Spring to allow for dollars to be spread around to others also in need.**

**We know this sounds radical, but we are all in the Arts, and Public Service community together.**

**So, we decided that we would scale back our spring drive and come back in the Fall with a bigger drive. This will allow us to still pay the bills through the summer, while also in a small way, draw attention to the other nonprofits doing amazing work in the community.**

**We are asking all our listeners, if possible, to pledge between 15 and 25 dollars to our service. If everyone that listens does this, then we will be okay until the fall.**

**We know some will contribute more than that and I appreciate you. We also will continue to offer our 35 spot package for those at \$200 or more in Pledge to promote your favorite non profit and their fund raising.**

**Every listener to KTXK is so special and I thank you for reading this and helping us during this Spring Mini Drive**

**Thank you  
Steve Mitchell**
