There is one additional Local policy that is optional for adoption (policy DEA Local) that was not recommended for adoption at this time. Consideration/Approval of Lease Addendum with TexAmericas Center for TC @TexAmericas

In 2011, the College entered into a lease with TexAmericas Center to lease the facility that currently houses the TC @ TexAmericas program. Addendum #6 to the lease, will extend the lease from February 1, 2021, until January 31, 2023, with three (3), one (1) year option periods to extend the Lease Term. This lease is necessary to continue serving the Red River Army Depot and students in that area of the county. This is exercising the second of the three-option available. In 2014, the College entered into a lease with TexAmericas Center to lease a parking lot at 203 Bowie Parkway, Hooks, TX to be used for the truck driving program. The current lease ends March 31, 2021. The proposed extension will extend the lease for two years, through March 2023. It was MOVED by Mrs. Farris and SECONDED by Mr. Moore to approve the TexAmericas Lease Addendum. MOTION CARRIED UNANIMOUSLY. Ayes 7 – Nays 0.

Consideration/Approval of Refinancing and Issuance of Maintenance Tax Note

In December 2018, the Texarkana College Board of Trustees approved a resolution to initiate proceeding relating to the issuance of Texarkana College Maintenance Tax Notes, in the amount of $15,000,000. Ten million in notes were issued in 2019, and the remaining five million were to be issued in 2020. These notes were issued to achieve the board approved goal in the strategic plan and finance the board approved capital projects plan. Since the original issuance, interest rates have dropped in an amount substantial enough to provide significant interest expense savings. The Notes are callable anytime and refinancing would be favorable to the college. A longer call date, 10-year par call, will be necessary to achieve the savings. We have been working with our financial advisor, bond attorneys and underwriters to prepare for this sale. TC’s financial advisor, Steve Perry will be presenting the information at the board meeting and available to answer any questions. The estimated refunding savings on the first $10 million is around $1.76 million. On the $5 million the comparison between 3.8% (our current rate) and our current estimates is $1.18 million. So, the total savings over what we originally projected is estimated at $2.9 million. Dr. Jason Smith thanked Kim Jones, Brad Hoover, and the Business Office team for all their hard work. TC is very proud to have the very best employees. Consideration and approval of a resolution of the Board of Trustees of Texarkana College authorizing the issuance and sale of maintenance tax and refunding notes, series 2021; providing for the security for and payment of said notes; and enacting other provisions relating to the subject. It was MOVED by Mr. Derick McGary and
SECONDED by Mrs. Ellison to approve the Refinancing and Issuance of the Maintenance Tax Note. MOTION CARRIED UNANIMOUSLY. Ayes 7 – Nays 0.

**Consideration/Approval of Audit Report**

Thomas and Thomas CPA’s, our external auditors, have completed TC’s required annual audit. Tim Holt with Thomas and Thomas presented the final report at the meeting. The audit report indicated no findings, a very clean report, and a great financial position for TC to be in. Tim recognized an amazing job by Kim Jones, Brad Hoover, and their team. It was MOVED by Mrs. Farris and SECONDED by Mrs. Ellison to approve the Audit Report. MOTION CARRIED UNANIMOUSLY. Ayes 7 – Nays 0.

**College President Report**

Dr. Jason Smith thanked Kim Jones, Brad Hoover, and their team for working so hard to have a clean audit. He thanked Tim Holt, Thomas and Thomas CPAs. TC is on strong financial ground. He also recognized Board President, Kyle Davis and thanked him for his leadership during the tough times at TC. Mr. Davis has helped TC get back on solid financial ground and made life for students so much more successful.

Dr. James Henry Russell stated what an outstanding Board President and community leader Mr. Davis is. Dr. Russell stated how much he appreciated Mr. Davis’s leadership.

Mr. Kyle Davis thanked Dr. Smith and Dr. Russell and stated that working with both of them and all of the Trustees had been the joy of a lifetime. Mr. Davis will attend the January 25th board meeting for a formal recognition.

Phyllis Deese, VP of Administrative Services, gave the Trustees a story of how excited employees were to receive the Christmas incentive. This gift blessed so many and was extra special, especially this year. On behalf of all TC employees, Mrs. Deese thanked the Trustees for the wonderful gift.

**Vice President of Finance Report**

Kim Jones provided trustees with the usual reports. She thanked Mr. Davis for his tremendous leadership.

**Vice President of Instruction Report**
Dr. Donna McDaniel thanked Mr. Davis for his service to the community. She shared that the SACSCOC Annual Conference celebrated its 125th Anniversary on Friday. Dr. Dixon Boyles and Dr. McDaniel presented at the conference sharing about TC’s great back-to-back graduation rates. The SACSCOC 5th Year Interim Report is approaching and all have begun working in preparation for it.

**Dean of Students Report**

Dean Robert Jones thanked the Board of Trustees of taking care of all students and meeting all their needs. Dean Jones gave Lee Williams, Chad Moore, and Rusty Hatchett a shout out for their work on Virtual Graduation that will be shared on December 15th at 7pm. Dean Jones thanked Mr. Davis for his great presence at TC.

Mr. Moore, Mrs. Ellison, and Mrs. Farris thanked Mr. Davis as well.

**Adjournment**

It was MOVED by Board President Kyle Davis to adjourn the meeting. There being no other business to come before the Board of Trustees, the meeting adjourned at 12:25 p.m.

Respectfully submitted by:

One of the top three priorities for Texarkana College’s strategic plan is to enhance, upgrade, and renovate facilities to meet state and federal ADA compliance standards and modernize instructional space. This project has been included in the capital budget approved for the Maintenance Tax Note. The estimated total cost of this project requires the College to advertise for Requests for Proposals to be approved by the Board.

Fiscal Implications:

These repairs are to be covered by the maintenance tax note and were included in the capital improvement budget approved at the July 2020 board meeting.

We are still reviewing proposals. Administration will make their recommendation at the Board Meeting on January 25, 2021.

The current 100,000-watt radio transmitter for KTXK is 17 years old and is no longer reliable. The manufacturer of the transmitter no longer supports the transmitter with parts or service, making it increasingly difficult and expensive to have repairs done and keep KTXK on the air.

Fiscal Implications:

The cost of the new transmitter will be covered by a CARES Act grant received by KTXK. The new model transmitter will also reduce our energy consumption greatly for the radio tower.
